

NATURAL RESOURCES AGENCY OF CALIFORNIA
DEPARTMENT OF FISH AND WILDLIFE

**Director's
Certificate of Appreciation**

Presented to
Project Eagle Lake Trout

CDFW acknowledges and appreciates Project Eagle Lake Trout for volunteer efforts to preserve and protect Eagle Lake Trout and its habitat in Eagle Lake and tributaries. For over 12 years Project Eagle Lake Trout has provided volunteers and resources to the Department of Fish and Wildlife for fishery management efforts and habitat restoration projects at Eagle Lake

CH Bonham

Director, California Department of Fish and Wildlife
